- HTML, CSS, Tailwind, JavaScript, C, C++, English, Communication, Analytical Skills, Student Leadership, Microsoft Word

EXPERIENCE

SMANSA English Club: President

07/2021

– 08/2023

- Oversee all club activities and initiatives, ensuring they meet the club's objectives. Leading regular meeting every week and planning the agendas for activities inside the class.
- Recruit new members and retain current members by creating an inclusive and welcoming environment. In my period, English Club succeed to gain around 30 new members from the first year student and keep 20 members from the sophomore, in total there are 50 members inside the club.
- Encourage member participation and input in club activities and decision-making processes. Provide opportunities for members to develop their leadership and communication skills by holding a competition and games inside the club.
- Develop short-term and long-term goals for the club, ensuring its continued growth and success. Evaluate club performance and make recommendations for improvement. Ensure a smooth transition of leadership by mentoring and preparing future club leaders.

ACHIEVEMENT

3rd Place of Cerdas Cermat Competition 2023 in Physics by University of Bangka Belitung

10/2023
