SKILLS

- HTML, CSS, Tailwind, JavaScript, C, React, English, Communication, Email Management
- Personal Website : <https://personal-website-nine-orcin-54.vercel.app/>

EXPERIENCES

Himpunan Mahasiswa Informatika (HMIF) UMN *11/2024 - Present* ***Public Relation Member of HMIF Gen XV***

- Managing and organizing outgoing and incoming emails, ensuring clear and professional communication with internal teams and external partners.
- Assisting with the creation of engaging and informative content for social media and other PR materials.
- Supporting the R&D team in refining and enhancing the wording on the official HMIF website to ensure clarity and consistency.

Perkenalan Prodi Informatika (PPIF) UMN 2025 *02/2025 - Present* ***Website Member of PPIF 2025***

- Supporting the development and design of the website to deliver a user-friendly and visually appealing platform.
- Collaborating with content and design teams to create engaging website with relevant content for new students.
- Assisting in implementing new features that enhance user experience and facilitate event registration.

SMANSA English Club: President *08/2023-07/2021*

- Oversee all club activities and initiatives, ensuring they meet the club's objectives. Leading regular meeting every week and planning the agendas for activities inside the class.
- Recruit new members and retain current members by creating an inclusive and welcoming environment. In my period, English Club succeed to gain around 30 new members from the first year student and keep 20 members from the sophomore, in total there are 50 members inside the club.
- Encourage member participation and input in club activities and decision-making processes. Provide opportunities for members to develop their leadership and communication skills by holding a competition and games inside the club.
